

2019 Youth Travel Baseball

The Bend Elks are proud to be back for the 2019 season of youth travel baseball. Our plan is to have one 10U, 11U, 12U, 13U, and 14U team. This may change based on interest level.

All of our teams are a part of our competitive program. Our program has a goal to both develop our players and win games. All players will play; however, all players will not play in every game. Our goal is to develop players at a youth level and be able to eventually increase the “home grown” players in our college Bend Elks team.

For any questions or concerns please contact Brad Morris. Brad can be reached at (541) 480-1056.
